

Public invitation to present legends at the Medvode Cultural Festival 2023

Public invitation to the presentation of legends in the framework of the Medvode Cultural Festival 2023

In 2023, the Medvode Cultural Festival will present legends from other parts of Slovenia and Europe under the motto "Legends between the Waters". At the confluence of the Sava and Sora rivers, we will create a symbolic (knightly) round table of different cultures that will attract the public to a peaceful intercultural dialog in all areas of activity, while creating a space for the discovery of cultural and artistic heritage in an interesting and innovative way.

We invite presenters/artists (individuals and groups) to participate in the Medvode Cultural Festival and present the legends of their hometown.

Conditions that must be met by applicants:

The individual presenter/artist must be of legal age; in the case of minors, the applicant must be accompanied by an adult, which must be indicated on the application form. In the case of a group of presenters/artists, the applicant must nominate a representative of the group who must be of legal age and who takes responsibility for any minors in the group.

Selection criteria: Innovation and originality, as well as the experience of the presenter(s)/artist(s)

The application should include a duly completed application form, a short CV or presentation of the presenters/artists with relevant experience (maximum one page) and a photo or sketch of the proposed presentation.

The presentation of the selected legends will take place on the sixth and seventh days of the festival (May 20 or 21, 2023), probably outdoors in the town centre of Medvode. In case of rain, the organizer will arrange for an alternative venue.

Applications should be sent **to kultura@zavodsotocje.si with the subject 'MKF 2023 - Legends' no later than March 15, 2023.**

A jury will review the applications and make a selection of artists within seven days of the deadline. Applicants will be notified of their selection by March 23, 2023. The organizer will provide two meals per day to the selected presenters/artists. For participants coming from further afield or who will be presenting the legends for two days, free accommodation is also available.
